U.S. DISTRICT COURT  
DISTRICT OF DELAWARE

Dear, Honorable Judge: Kent A JORDAN

RE: "SANCTIONS TORT": see in LAW DICTIONARY  
CIV FED CASE 04-175-KAJFROM: Joseph L. CUPPY PLAINTIFF FOR CIV-FED-CASE  
- 04-175-KAJ PROSE

"Sir" It Has Been a most Strident Journey  
To Recieve participation from The Defendant  
and his attorney Mr Daniel Griffith from  
Day one.

I Did not Anticipate for judgment Be  
just handed over To The plaintiff. However  
The Strife of The Discovery process from  
The Defendant Gregory Hopkins and  
His Attorney Daniel Griffith Turned out  
To Be Completley Out of Context of The  
Civil federal Rules and procedural Guidelines.

Sir I Respectfully ask That The misconduct Comes  
To a Hault. Massive Remedial Enforcement  
have Been applied Voluntairily Requesting  
in Verbal and in writting on The Record.

After That 2 Direct Court orders have  
Been entered; Both on The Record Both ignored  
The most Recent Court order is inclosed  
with This Document.

Your Honor, The Defendant and His Attorney Has clearly presented a Dilatory Defense for Civ fed CASE 04-175-KAJ which The Record Shows Continuous Obstruction in The Discovery process That Do not address any merits To justify why The Defense Has By choice of There own Discretion To Hinder The Discovery process.

which is in Violation of The Rules ignoring Court Orders clearly Shows Misuse, True neglect That is in fact abuse of Discovery.

At This Time your Honor after I have Exhausted Every avenue with The Defendants and ET.AL: I Respectfully Request That a Sanctions Order is followed Through with fairness and justice To Be served Swiftly To The fullest Degree with no further Delay served upon The Defendant and Defendant Attorney.

I ask That The abusive party pay a fine To The plaintiff in The amount of for which The Discretion of The Court and The Honorable judge Mont A. JORDAN Seems fit for The Discovery Violations.

I Joseph I Lury having presented Evidence of Case Damage and Continuous Accelerating Obstructed Justice for CIV FED CASE 04-175-KAJ; further would like To State That a Sanction Tort Directed To The Defendant and his Attorney would Clearly Be in Uniform To uphold The Constitution. It would also Be The proper Remedy of practice whom chosen Not to adhere To federal Law But Street Law To make up There own Rules as They seem fit To Bend Them in any way That Hinders Discovery Repetitiously Blocking justice To prevail.

Thankyou Your Honor  
please address This matter  
and Reply soon
